Report/Announcements:

Hey Family,

Campout met with 10 addicts in attendance. We are wrapping up all our last-minute stuff since the Campout is in less than 3 weeks!! We have voted on a menu and scheduling. We have ordered our merchandise and are very excited about this year's designs and colors.

We are still accepting registrations online, but you can register in person at the campout as well.

We have decided to meet again one more time on zoom prior to the campout. We are meeting on 8/13/2023 at 12:00 p.m. We do not meet in August after the campout since we do not have the information we need to wrap up the campout years end stuff until at least September, or later for some things.

We are getting close, and it is gonna be a great campout!!

In loving service,

Tammy R.

Report/Announcements:

Hello, friends!

For the THIRD month in a row, The H&I Subcommittee met (on 30-Jul-23) with SEVEN participants! We are happy to report that four H&I members met with the Cheshire County House of Corrections (CCHOC) and received the necessary visitor orientation. We were all approved to provide presentations at the facility! As it stands now, we are still hosting our commitment in the women's pod at CCHOC on the second Friday of each month. However, this past month we held a presentation on the fourth Friday (28-Jul-23) instead. The presentation saw SIX attendees and was reported to have a 'magical' energy to it. Our next presentation will be held on August 11th.

We are having further discussion regarding a day/time to begin bringing an H&I Presentation into the men's pod at CCHOC. We only have two male H&I members that have received visitor orientation, but we hope to add a couple new members in the coming weeks. More details about the men's pod presentation will be provided once we communicate with the facility this week.

We have confirmed our H&I Learning Day at the Back to Basics Campout will occur on Saturday, August 19th at 1:15 P.M.. Tell your friends and please share this information at meetings!

In Loving Service,

H&I Subcommittee
