H. Helpful Suggestions

*Over enthusiasm can be potentially harmful to achieving goals. Establish priorities and work towards accomplishing them in a fully informed manner that is consistent with our Twelve Steps and Twelve Traditions.

*Always keep in mind our Eleventh Tradition: "Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press radio and films."

*It is through group conscience that service work is best accomplished, and NO INDIVIDUAL EFFORTS should be undertaken. Keep in mind our First Tradition: "Our common welfare depends on NA unity." It is imperative that all PI members be flexible to the dynamic demand of various PI tasks being undertaken at any time. Constant communication within the PI committee is required; not just at PI service meetings, but in-between them as well. The GMANA PI committee relies heavily on email and telephone communications to accomplish its job.

*It is important to avoid stating opinions during presentations or media requests and one should not be THE spokesperson for N.A. Some media requests may well be beyond the scope of area PI and should be referred to the appropriate service body. Remember our Tenth Tradition: "Narcotics Anonymous has no opinion on outside issues hence the N.A. name ought never be drawn into public controversy."
