Hi family,

In the last month, the One's Who Survive has picked up. Addicts from the Retreat have gotten rides to the meeting. Thank you, Bob! We are averaging 6-8 addicts at this time. We are making rent. We have tweaked the format of the meeting. It is still an alternating format. We took out the speaker portion and replaced that with JFT (Just For Today). Also at our Group conscience we voted Bill T. as the GSR and Paula P. as the treasurer.

These are the only changes so far. We could still use your support. Our HP is holding us up. Thank you, HP. In grateful &

Greetings Family

The That's Life group of Narcotics Anonymous is a small group holding meetings twice a week. On Monday we hold a literature based meeting reading from It Works, the Basic Text, or an IP. Friday we hold an open discussion candlelight meeting. Several members have informed us of an intention to seek a new home group, and we are anticipating losing about half our committed members. We have started to consider holding one meeting a week only. This discussion garnered much concern at group conscience and any wisdom that
