Report/Announcements: Thank you to all the members who consistently show up for this important form of service! We are right on track with several of our objectives, including website migration (which will make us more accessible, and save us some money), Phoneline restructuring (which will save us a bunch of money!), progress with our professional contacts list, and a new version of our meeting list holder.

Also, please note that we have moved from several individual emails for trusted servants (gmana.secretary@gmail.com, gmana.pr@gmail.com) to ONE SINGLE ADDRESS for all Area correspondence: INFO@GMANA.ORG. This account will be managed by one or two trusted servants in the PR subcommittee, and all communications will be forwarded to trusted servants as necessary.
