Literature Subcommittee of the Green Mountain Area Service Committee
August 2015 Report

Literature Receipts for July 2015

\$ 298.51

The literature subcommittee policy is the literature subcommittee guidelines and the N.A. Literature Committee Handbook. We only sell literature at area monthly meeting. Literature committee members cannot sell it elsewhere or otherwise because the first purpose of having a literature subcommittee is the maintenance of a literature inventory for the Green Mountain Area.

We normally make an area purchase order from N.A. World Services every other month or sooner, whenever the size of the order makes it financially prudent to make an order because the size of the order qualifies for a discount. By doing this, we get merchandise at a lower price with lower shipping costs. Basically our price is 3% above cost from N.A. World Services. The result is addit dollar contributions stretch further towards buying literature and less for paying for freight charges. Also, our method results in lower cost than if an individual or group ordered online from World Services or a service center.

We do not carry at area the specialty items listed in the monthly order form. We can order them for you. If a group needs a special item, or a medallion for an anniversary, tell the subcommittee two months in advance, prepay, and we will order for you.

Please check your orders purchased at area when you get them because problems must be resolved before the end of GMASC area meeting.

Please use the newest version of the order form which is available from the literature table or online at the GMANA website (the correct form is the one where the Basic Text costs \$11.90).

Literature subcommittee meets at 12pm the last Sunday of the month before GMASC area meeting, Springfield Hospital, Springfield, Vermont. Next meeting is September 27, 2015.

Thank you for following the policies because it fosters growth and unity and only together can we carry the N.A. message.
