

**ABCD REGINAL ALTERNATE RCM REPORT FOR THE MONTH JUNE 2016 TO THE
GREEN MOUNTAIN AREA.**

The ABCD Region met on June 4th. I was not present at this Reginal meeting. I did not attend the June region meeting.

I send in a report to the region secretary. I did not receive a report from the Region on this June meeting. I am not therefore able to provide a summary to the area.

I received the summary of the WSC discussions that was presented by the Reginal Delegate (Sandy)

This is long summary that I am still not able to completely digest myself I am attaching this document to this report. I am suggesting that the document be made available on the GMANA website. I am hoping to provide more information on this report next month after I am able to ask questions about it at the next region meeting.

Literature Subcommittee of the Green Mountain Area Service Committee

June 2016 Report

Chairperson: Ian M., imacarthurmckay@yahoo.com

Literature Receipts for May 2016 \$531.80

The annual literature stockpile inventory was completed this month, and the stockpile was found to be valued at \$2,154.86. In order to bring the stockpile up to the requisite \$2,249.00 listed in the Literature Subcommittee Guidelines, an additional \$94.14 of literature was added to the NAWS order for the month of June. This will be accounted for in the August NAWS order by purchasing less literature than we sell for the month of July.

Also, NA World Services is conducting their own yearly inventory, so we will have to wait to place an order with them until the month of August. This may mean that there will be some out of stock items for one month, but it will also give the Green Mountain Area an extra month to make some extra sales to cover the added expense of getting our literature stockpile up-to-date.

If an addict has the willingness to get involved with the literature subcommittee and help balance monthly literature sales, on-hand inventory, and NAWS bi-monthly orders so the area has fewer out of stock items, that would be greatly appreciated.

Please check your orders purchased at area when you get them because problems must be resolved before the end of the area monthly meeting.

In Loving Service,

Ian
