Report/Announcements:

This is a rotating format meeting either the JFT, Step 1, 2 or 3 from the Step Working guide or recovery related topic. We have had a steady & growing attendance just this last week we had 33 addicts in attendance, our largest group yet. We have been successful in filling service positions and have had more and more participation from newcomers. The only issue recently has been an addict using derogatory terms in reference to women during a share. This was handled well by the Chairperson during and immediately after the meeting.
