

Your pre-registration is used to pay for camp out facilities, registration packets and printing. We believe that once you understand it is the fee from your pre-registration that makes this event possible, and the pre-registrations collected are used for planning and preparation of present and future Back to Basics campouts, the reason for pre-registration is clear. It is the support of each member's pre-registration or donation that helps make our camp out a success.

Swimming is allowed at your own risk. Campers are responsible for supervising their children. There is NO lifeguard, so please monitor your children.

Photos/Social Media – Please make sure you receive permission to take someone's picture as well as permission for posting any picture(s) on any social media. We are an anonymous program and we need to remain mindful of everyone's right to personal anonymity.

FIREWOOD

B2B will have firewood available for sale. Please be mindful of Vermont state regulations when transporting firewood across state borders. See policy here:
