Cares and Concerns

A GSR encouraged other GSRs to **provide shorter verbal group reports** to make more efficient use of the limited time at ASC. Please continue to let us know of any significant development with your group when giving your verbal report, and provide as much detail as you like in the written report which will be included in the minutes.

An addict is the only member of the **We Can** group. Another addict is the only member of **Shot in the Dark**. Please go keep them company! That's Life group was kept alive by a single addict for many months, and is now thriving!

Addict showed up to a Wed. meeting and said they tried to go to Share the Light and didn't find any addicts. Just FYI.
