## Cares and Concerns

Group Starter Kits – they cost a lot, should Literature SC continue providing them for free to new groups? GMASC provides more in our starter kit than NAWS does. Should we also include the Basic Text? Should we give anything at all? Is the GSR Orientation Packet included? A motion was made from the floor and accepted by the chairperson, then withdrawn. A decision was made to following our existing policy on this issue.

Close at 2:59pm
