Activities met today with only 1 member.

May 15th Meeting of the Month will be Last Connection in Rutland, VT

There was a request for June Meeting of the Month to be at Monday Night NA group in Claremont NH on June 11th. July is yet to be decided... any requests or suggestions? Ideally, it would be a Tuesday.

CVA is doing a group trip to Pigs in Space again this year, for anyone who wants to join the night before at Comfort Inn in Nagatauk CT.

This month we spent \$27.72 to print event fliers. That brings our annual budget down to \$472.28.
