Time & Location of Meeting: 12¹⁵ pm last sun. month @ Springfield Hospital Library

Report/Announcements: _____

PR met on May 27th @ 12¹⁵ pm, with 6 addicts present.
We spoke today about our new website and phone number, both of which are up and running and seem to be running well.

The next topic of discussion was to update the meeting list holders- taking down those that have been abandoned. Spoke of doing poster drives in these places instead. This will be more cost effective and will require less follow up.

We are working with H&I and have made the contact to follow through with a meeting on the 4th floor psych ward @ Putland Hospital.

Looking ahead we would like to start working on doing presentations @ high schools within our area.

We are still working on getting time at the campus for a PR learning day.

our budget stands @ \$811.95
