Unfinished Business from December 2018 ASC

No unfinished business

New Business

Motion 1 – Attached.

Policy change – going back to groups – voting in February - needs 2/3 majority vote to pass.

Points of Clarification – A member asked if there are any qualifications required to be a signer on the account? Any signer would have to be an officer (and each of those positions have specific requirements). Additionally, the Area Treasurer Sub-Committee will determine who is/are appropriate signers on the account, based on the needs of Area.

Cares and Concerns

Campout - Kitchen Chair – Don expressed interest in this position.

He was provided some information during the meeting and encouraged to attend the Campout Subcommittee Meeting (11:00 a.m. at Area) to get more details.

Public Relations – How many people have called into our phone line?

As much as the committee thinks it is user-friendly, the committee is relying on us to validate the info, determine if it is easy to navigate, etc., as our primary purpose is to carry the message.

Public Relations - How many people have gone to our website?

Under the Meeting tab, you can go print meetings lists.

Also, there is an online listing of meetings. There are some default settings behind the scenes that ‘assume’ each meeting is 1.5 hours. This is how the end-time of meetings is being set.

The committee is asking that we verify the correct start and end times of the meetings we attend.

If the times listed are not correct, **EMAIL: info@gmana.org**

Campout contract – to secure the space for 2020.

Contact for 2020 has been received. Typically, \$100 was enough to reserve. Due to personnel changes, they are requiring \$500, which puts more upfront costs than expected. The Campout Chair is in negotiations regarding this increase. However, if the \$500 stands, the motion that just passed to increase the seed money did not take this into account. There is a chance that there will be another motion forthcoming to increase the seed money again to cover this additional, unexpected expense. MWBR.

New GSR Orientation Packets – the report forms included in this packet have the incorrect Area phone number.

They have the old one and need to be updated to 802-265-6414. Not sure who ‘owns’ the master, so putting it here. GSRs – please check any forms you may have printed and are using for your reports.

Thanks!
