Hi everyone! Our group has been expanding during the last month with an average of **20** addicts present each week. Our format revolves between reading NA Literature, Sharing on recovery topics and having an NA speaker once a month. We have coffee, keytags and members that range ^{with clean time} between less than 30 days clean to 30 years! Our message/experience is often diverse because of the varied amounts of clean time, but it is always positive and filled with hope. Come join us on Tuesday nights in Keene!
