Please Read At Area Meeting

To the Green Mountain Area of NA

The members of The That's Life group are sad to say that the Grass is Greener annual Picnic did not make as much money as it cost to put on. At the April area meeting a group member Eillen K brought a flyer to the area and was told it would be on the website. This was never done. If the area was involved in the ABCD region this could have been forwarded to them. The group believes this would have drawn more of a crowd. Or group doesn't have a GSR at the time but we do send donations every couple months. We are sending \$30 from what we received at the picnic and \$30 from our group to cover a newcomer packet at the Back to Basics picnic this year.
