July 2019 ASC minutes were read, **amended** to include a bit more detail around the care and concern about the flyer from The That's Life group and approved.

- After Area closed last month, it was learned that the reason the provided flyer was not posted was due to a date change of the event, so the provided flyer could not be scanned. The group was going to provide an updated flyer, which again, seems to go back to a communication breakdown.
