Hello Family!

The In From the Storm Group remains consistent with 8-12 addicts present at each meeting during the past month. We have a couple of newcomers attending regularly and a core^{group} of seasoned members that carry a clear message of recovery. Sadly, we would like to report that one of our longest standing homegroup members, Maryann M, will be moving/traveling come November. Be sure to wish her well on her new adventure if you see her! I want to personally thank all those who have helped so much pulling our event together! None of us had any experience putting on an event like this and now were only a little over a week away. We welcome all of ya to come help us celebrate, eat some good homemade food + hear some good speakers. I am humbled to be able to chair this important gathering.

I also would like to thank all who have helped us recover from a recent "group setback" which will be discussed under "carest concerns"
