## Cares and Concerns

There continues to be a lot of conversation around the need for a Policy Chair – and getting the Area Guidelines updated. Volunteers have come forward to help with this work in the absence of a Policy Chair.

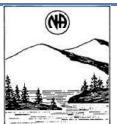

It was asked about having a Literature Vice Chair – someone that can be mentored into the position and help the literature chair/committee. Discussed again about how this used to be a committee; not the sole responsibility of one person. Renewed interest in helping out!
