## Cares and Concerns

H & I Subcommittee – Chair is listed but has not been in attendance, and the subcommittee is not currently meeting. Thought is best to bring it to this body to see what thoughts are. Should we follow up with current chair and see where they are at? Does the committee have a vice-chair? NO. Area Chair reached out to current chair to see if they are interested in continuing in the position.

Keene DOC is ready for us again, and we have an addict ready to go back in. Can this addict go to the facility alone? What should the next steps be, as we don't currently have an active subcommittee.

This subcommittee has struggled over the past year. It has met once or twice since October. Even though nominations are just around the corner for the new term, but still, if facilities want us to have bring in H&I presentations, then we should have a subcommittee meeting to discuss this and other business.

Could this subcommittee be given a Zoom link and a time slot to meet? This can be done without the presence of or even having a current subcommittee chairperson.

**AN H&I SUBCOMMITTEE MEETING HAS BEEN SET UP –**

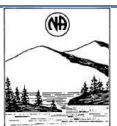

Groups have mentioned that it is hard to do a hybrid meeting due to hardware constraints. What do folks think? Is hardware something that each group will need (microphones, laptop speakers, etc.)? Discussions ensued about how groups are managing these challenges. And some groups/members are purchasing their own equipment – not very pricey and provides solutions.
