**Report/Announcements:**

Came to the decision at my HG to start looking for other places to meet. We have started hitting some other churches and just waiting for some answers back.

Our last host facility is not really picking up the phone calls and we still have all of our literature stored there. We still have the key to the facility as well. We are just trying to handle it the right way. As has been mentioned, we don't want to have to replace all of our literature. We jumped through hoops trying to get insurance forms for this situation and we do still have the forms.

We are still meeting on Zoom and we are not giving up – but are trying to move forward and do what is best for the group. We do feel that meeting in person is what is best for us, but it is up to HP at the point.

In loving service,

Karl

Good Afternoon Family,

Group continues to meet in person and on Zoom. Just last week we had our largest in-person attendance of 11 people!!

The meeting location at the YANA center appears to be providing addicts easy access to us. We have continued to see several new faces at our meetings over the last several weeks.

Our zoom presence continues to stay consistent with about 6 addicts present so we are continuing to attract addicts with our zoom presence as well.

In loving service,  
Josh

**Report/Announcements:**

We are still holding our hybrid Zoom/in person meetings. The location for the physical meetings are at Nancy's house at 81 Loretta Ave. Manchester Center VT 05255.

Meetings are going well with many more addicts showing up in person than on Zoom.

We voted to add the line: "The absence of profanity will offend no one" to our format.

We also voted to hold on to funds this month and save up for some equipment to improve the Zoom experience. Therefore, we have no donation for area this time. We realized that our \$150 pledge from last month never got mailed but will be going out this week.

In loving service,

Tim C.

Greeting to all GMANA Sub-committees. We have been meeting as a hybrid meeting for about three months now and attendance has slowly picked up to approximately 12 – 15 addicts per meeting.

We had our first group conscience since February this month and filled necessary service positions! We had planned on sending a donation in before Area this month, but it did not happen. I will follow-up with our treasurer to get a donation mailed in.

In loving service,

Donnie B.

Over the last couple of months our attendance has been low, but the members have been consistent and so is our message.

This past Thursday, Bruce B celebrated 27 years which drew some addicts out and that was awesome. The week before we had some additional addicts too.

We continue to pay our rent to the church.

More will be revealed.

Happy Area Sunday –

All is well at You Are Here.

We do have our VIRTUAL DOORGREETER position and we are virtually hugging. That, and with displaying an image of all the key tags and asking if anyone has the length of clean time, we are trying to make zoom meetings as ‘normal’ and welcoming as possible.

Our host facility is still not open, so we are continuing to meet solely via Zoom.

As always, and with everything going on, more will be revealed.

In loving service,

Cheryl
