We celebrated Still Rich's 5 years last Wednesday, so group is going good. Homegroups members are coming through like always. We have a rather good turnout for the Zoom meeting. We are still putting the decision to find someplace to meet in person on the back burner for right now. Zoom seems to be where we need to be right now, and we have accepted that as a group.

Attendance is good. We have some newcomers pop in and out. For the most part, it is a steady attendance.

Great recovery – please join us. We are looking into getting a PayPal or Venmo so we can get a bit of 7th tradition going.

Hi Family,

The In From The Storm Group is still meeting in person and on Zoom. Our format ranges from reading NA literature and having topic discussions to hosting a speaker once a month.

We have been active this past month with several newcomers in attendance and an enormous Zoom presence this last Tuesday when we had a speaker from CA.

The group seems to be going well and we are looking for continued support. Hopefully, we will continue to have more people attracted to the in-person meeting.

With that said, we would still love more support so come join us on Tuesdays!

I'm Loving Service,

Josh R

Good Afternoon Family,

Group is going well. We are working with our hybrid model and it is going well. One of our members has an unlimited data plan and we use that as a hotspot. Hooking up to the big screen in the room and it has been going great.

I have been appointed the Zoommeister and I am opening up the meeting a half hour early for fellowshipping.

In loving service,

Rocket.

The That's Life group which meets via Zoom on Monday night at 7:00 p.m. has changed its format.

The first Monday we read the step corresponding to the month from the Basic Text followed by a speaker.

The third Monday we read the tradition corresponding to the month from Guiding Principles, the Spirit of our Traditions.

The last Monday is a celebration meeting.

The other Mondays are open discussion.

The group is donating \$100 this month due to not having the annual Grass is Greener picnic last year. Enclosed is an envelope for the receipt.

Thanks,

Group is going well. We have been getting newcomers and people from our sister fellowship coming over, too. People from our sister fellowship are looking for a meeting at noon. Some even actually bought literature.

The Upper Valley Turning Point that hosts our meeting went out and got a laptop and will be putting up our meeting on zoom every week (cool, right?), which means a little less stress on me.

We made an Area donation of \$40.00.

The meeting is going pretty good from the last time we talked and I am feeling pretty grateful.

In loving service,

Donnie B.

Time & Location of Group Conscience: Last Sunday of the month directly after the regular meeting

The group as been meeting at the YANA on Carpenter Street and it has been going great! Attendance is steady averaging 4 – 7 people at the center and a consistent presence online as well.

We have made a slight change to the literature we are using in our Step and Tradition Discussion meeting.

While we will continue to read the steps from the Basic Text, starting in February, we will be reading the Tradition of the Month, which is done on the last Sunday of the Month, from the Guiding Principles book. We will read the tradition overview and then the ‘For Members’ section. Good stuff!!

We also discussed ways to liven things up – coming off of mute to welcome members and do key tags, etc. Gonna get rowdy!

Cheryl W
