Hello everyone,

Unfortunately, I will be unable to make it to area today, but I still wanted to submit my group report.

The All Will Be Well meeting is going well - attendance is still steady, a couple home group members are still staying strong and keeping the meeting open. There was talk about maybe prospecting some locations to meet in person. We are going to be donating somewhere down the line. Our PayPal donation for Zoom is going well.

Thanks, and in loving service,

Karl C.

Hope you all have a great day.

Greetings GMASC. Pleased to announce the only Upper Valley GMANA noon meeting is going well and strong.

We acquired a new member who relocated from the Pittsfield, MA area who just celebrated 10 years clean this past Monday and will be chairing the month of May!

Group attendance has been steady at 7 – 10 addicts approximately. We feel we are carrying our message of our primary purpose.

I personally would like to say it has been an honor to represent the There's Still Hope group as its GSR as this is my final ASC I will be doing it.

In loving service,

Donnie B.

The group has been meeting at the YANA on Carpenter Street and it has been going great! Attendance is steady, averaging 5 - 7 people at the center and a consistent presence online as well.

We had a celebration this month – Ben F celebrated 3 years and he was able to do it in person!

We had another Panera get-together in April – and a few folks stayed and hung out with each other until 2:30 p.m. That is like 4 hours of in-person laughing and hugging and sharing and being together. We continue to make this happen and get loved up too.

May's 1<sup>st</sup> Sunday Panera hangout (5/2/2021) will be a continuation of a celebration happening on Saturday 5/1 (our own Alisa's 18-year celebration).

In Loving Service,

Cheryl W

Good Afternoon,

Attendance has been pretty steady. We get the Headrest Group every Thursday night, so it is somewhat of a beginners meeting. We do the Basic Text – the heart of the Basic Text – and things seem to be going pretty well.

There's no news on getting a live meeting there. We have discussed it and every time we discuss it, we conclude that Headrest is just not ready for it yet.

Our 7<sup>th</sup> Tradition is starting to grow! Learning the ropes of it.

Couple of group members are interested in H & I and I will give the group member the information.

In loving service,  
Jim

As of late, we have had about two more consistent members show up each week. We are still a small group with attendance. We like it that way and we are continuing to do what we do – stick with our varying format, take in donations, and carry a consistent message. We would love to see you!

Chad
