Donation: **Report/Announcements:**

Not much really to report. We are still going strong. The PayPal link we set up a couple of months ago is going strong and definitely helping with donations. We do not have a donation this month, but we will definitely be donating next month.

Attendance is still going good. Me and a couple of homegroup members have been rotating for chairing. Group conscience turnout has been a core group of us and that is okay because we are still doing what we need to do to keep this meeting going.

Maybe next month we will possibly do some prospecting for an in-person meeting location. We have not forgotten this; it is still on the table.

In loving service,
Karl

Good afternoon,

The In From the Storm group is still trying to host hybrid meetings but our Zoom presence has been minimal or non-existent during the past three weeks. We could use some support as we have an influx of newcomers but hardly any homegroup members.

Last week, there were 12 newer members joining us but I was the only homegroup member and was trying to host the meeting, be the keytag person, be the secretary and open up and clean up person. It is overwhelming for one person to do all of that.

While it is great to see newer members, we could use some folks with longer term recovery to come help us out. We would love to see you.

In loving service,
Josh R.

Greetings ASC Members from the There's Still Hope Group of NA,

Our noon meetings have given an hour of recovery for the Recovering "Day Tripper!"

With an average attendance of 12+ members with a couple of newcomers this month, also a few 'old timers' from another fellowship repeated attendance a refreshing ideal of NA acceptance and attraction of recovery.

In loving service,
Donnie B.

Time & Location of Group Conscience: Last Sunday of the month directly after the regular meeting

Donation: \$74.00 **Report/Announcements:**

The group has been meeting at the YANA on Carpenter Street and it has been going great! Attendance is steady, averaging 3 - 5 people at the center and a consistent presence online as well.

We have made a slight change to the literature that we are using in our Step and Tradition Discussion meeting.

This is our 2nd month using the Guiding Principles book for the Tradition part of our Steps and Traditions meeting format; the tradition study on the last Sunday of the Month, reading the tradition overview and then the 'For Members' section. Good stuff!!

We have also decided that we will *try* getting together, in person, the 1st Sunday of the month after our regular meeting – meeting at 10:30 a.m. at Panera in Keene. If you are in the area, come join us! They have indoor and outdoor seating.

Cheryl W

Report/Announcements:

Good Afternoon,

Attendance has been pretty steady. We get the Headrest Group every Thursday night, so it is somewhat of a beginners meeting. We do the Basic Text – the heart of the Basic Text – and things seem to be going pretty well.

There's no news on getting a live meeting there. We have discussed it and every time we discuss it, we conclude that Headrest is just not ready for it yet.

Our 7th Tradition is starting to grow! Learning the ropes of it.

Couple of group members are interested in H & I and I will give the group member the information.

In loving service,
Jim

As of late, we have had about two more consistent members show up each week. We are still a small group with attendance. We like it that way and we are continuing to do what we do – stick with our format, take in donations, and carry a consistent message. We would love to see you!
