Cares and Concerns

The Haven, which used to host meetings, would like again to host in-person NA meetings. If meetings in the Upper Valley are looking for a location, please contact The Haven or Russ S (he has been in contact with this facility).

Campout

- Looking to use a zoom account for the Campout, for any meetings they decide, from Thursday through Sunday. Ideally, it would be a consistent link – decision was made to use the link that has been designated as the Activities account. Campout Chair will be provided the hosting information.
- In the past, Campout has had the ability to purchase and then give away a case of Basic Texts to newcomers at the main meeting. This year, due to COVID and tight finances, would it be possible to have a raffle, or have books donated, or some other solution. Groups have donated to campout in the past, but the funds have not been specifically earmarked for literature. Could groups purchase X number of Basic Texts and then donate them directly to the campout? Campout is willing to accept donations of Basic Texts 😊 Literature also has some ‘ideas’ around this.

Zoom links – as groups are moving back to in-person, and the use/need for Area hosted zoom links is decreasing, Treasurer asked if now is the time to take a look at possibly consolidating into two accounts (currently, we pay for three)?

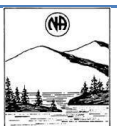

- There are three zoom accounts – one account is an annual subscription (and already paid for) and the other two are paid for monthly - \$15.89 ea. per month. Treasurer will check to see when the annual subscription expires. If we do decide to let one (or more) of the Zoom accounts go, there may be some changes for the online links used for the meetings.
- Next month, we should have a clearer picture of how many meetings are going back to in-person only or will be remaining hybrid.
- **Ask your groups if they still want an online presence when able to meet in-person– it will help with our decision making.**
- Thanks to the Treasurer for looking out!! This is NOT meant to infer that the Zoom supply will be cut-off; it is a subject that needs to be thought about as the world changes again.
- Specific to the Area Service Meeting and Sub-Committee meetings
 - Zoom has been a way to keep business moving and have folks involved that may not otherwise travel to Springfield, VT.
 - Hybrid may be the way to go since it affords folks the option to attend.
 - Chair will contact the hospital to see where they are at with hosting us in-person again.
