Name: Brittany L. **Position/Subcommittee:** Campout Chair

Time & Location of Meeting: 05/30/2021

Report/Announcements:

Campout met today with 12 addicts in attendance. We are filling up our registrations. We currently have roughly 40 spots left for registration of the Campout.

We would like to mention that anyone who would like to purchase literature (t-shirts or hoodies) those orders need to be placed by July 29th. We will not have merchandise at the campout this year.

The campout is looking to possibly see the zoom link during the campout if need be and want to make sure this is not a conflict.

As always thanks and in loving service.

Report/Announcements:

Good afternoon, family,

We had our meeting on Sunday, May 16th with SIX ADDICTS in attendance – the most that I have ever seen since I have been involved with the chairperson position. Thank you to Still Rich, Jessica B, Gary F, Jim M, and Donnie B for their participation.

We had some great discussion about gaining support for the committee and expanding our presentations to other facilities. The H&I presentation that is currently happening in Keene may be expanding to different facilities in the area and they are hoping to gain our support at those facilities. They have also suggested that they are going to allow women to come into those facilities and speak – so if anyone is interested in coming to speak for H&I and/or becoming a panel member or leader for H&I, please come to the meetings that are happening in Keene and the H&I subcommittee meeting on the 3rd Sunday of each month.

We are hoping to purchase additional H&I supplies to accommodate these potential new meetings. Still Rich has volunteered to host a meeting once a month and I was hoping to build a supply kit for him that he can take with him whenever he goes to any of those facilities. I will be building the list of the items he will need.

We did spend \$101.20 on literature over the past 1.5 months, so I will be submitting a request to the treasury to be reimbursed for those supplies.

Again, thank you to everyone that has been involved with the H&I subcommittee! It seems we are gaining some traction, which is great news.

In loving service,
Josh R.
