The group has been meeting at the YANA on Carpenter Street and it has been going great! Attendance is steady, averaging 10-ish at the center and a consistent presence online as well.

We had a celebration this month – Brittany L celebrated 7 years with us, which brought folks from all over to celebrate with her in-person and online. With the exception of a couple of technology glitches, it was wonderful.

We would like to thank Alisa for allowing us to use her zoom account since we went online and then hybrid. Thank you to area for providing a new link (forthcoming), allowing us to remain a hybrid meeting.

We used two of the little QA code sheets today!

Excited to see what July will bring.

In Loving Service,

Cheryl W

The Last Straw group meets Tuesday/Thursday meetings via hybrid (in person and zoom). When meeting in person at the church we are following all Covid guidelines. Attendance continues to be between 8 and 15 members.

Our monthly business meeting is the last Thursday before area. It was decided that we would be sticking with the hybrid-meeting format for the foreseeable future. We will add the service commitment for someone to bring his or her laptop for zooming use.

We will not be contributing this month, as the group will be having a picnic in August to help celebrate all the anniversaries that happened under quarantine last year.
