Motion/Intent: Increase campout seed money by \$1,000.00
To increase Campout seed money to \$3,500.00

Current seed money is \$2,500.00. Reason
being this will help cover the cost of the
rental fees that are due before the campout.
Also, ensures we maintain the balance we
need to have in our business bank account.

If we go below \$1,500.00 we start getting fees.
