Motion/Intent: Motion to remove paragraph #7  
from the GMA Treasury Guidelines

~~Intent: To have paragraph #7 fall under~~  
~~the literature Subcommittee guidelines~~  
~~and not Treasury~~

7.) The Treasurer is responsible for ensuring the ASC literature stock is maintained at or below the level approved by the groups. This is done by audit of literature at the beginning of the Treasurer's term and adjusting the amount available by only authorizing payment to replace literature sold.

Amended Intent: To streamline the  
Treasury guidelines, as this task is already  
conducted by the literature Subcommittee.
