Cares and Concerns

Sandy – our Regional Delegate Alternate – came to our meeting and talked about World Service Conference.

“It meets every other year, in even years. We meet in CA every other year and we decide on motions that are brought by regions and by the World Board. And we have to decide them on a world-wide level which is really confusing, right?”

In 2020, we had to go to a mini-virtual World Service Conference because people could not travel because of the pandemic. So, they did it virtually and all the motions from the regions were not heard in 2020 because they just did like the basics – just enough to keep NAWS, Inc. running.

Now, it’s 2022 and people still aren’t traveling, so they are doing the exact same thing again. The good news is there are only give motions, as Bruce said in his report, in the CAR (Conference Agenda Report) and CAT (these are the financials). In ABCD, we vote on both the CAR and CAT; we have never separated that out.

*So, the regional policy says that the way we decide the **one vote** that ABCD gets is we do it 2 ways. Mostly, we do it by individual group tally – we do send this directly to the groups. This means that your home group can give me or RCM a group tally. The other thing we do is collect one group tally from every assembly – every CAR/CAT assembly. We have a regional assembly this Saturday, after region.*

There are some videos that explain this whole process – and I would like to conduct a CAR/CAT assembly with GMANA at next Area, at 2:30 p.m. I understand that Area may not end by 2:30, but if we could schedule this workshop for 2:30/directly following Area, that would allow me to do this workshop and have time to attend another Area’s service committee meeting (SAMMA) and do their workshop too (their meeting starts at 3, so it would end by 4).”

All Will Be Well (Wednesdays) meeting needs some In-Person support

Our Primary Purpose (Thursdays) meeting needs some In-Person support

Website has some out of date content on it as well as missing forms – secretary will email PR.
