Report/Announcements:

Steering Committee Mission Statement

The purpose of this Ad-hoc Sub- committee is to provide a forum for the members of Narcotics Anonymous in Brattleboro VT, and closely surrounding communities, to work together in promoting unity within the fellowship and fulfilling the 5th Tradition of Narcotics Anonymous. We shall do this while working closely with the Green Mountain Area committee and sub-committees.

As a group we hope to:

- Ask questions of and Listen to local NA groups to learn how best to support them and encourage unity
- Look for opportunities to supply information to the community
- Research where other similar NA communities have had success in reaching newcomers and increasing meeting attendance
- Determine tangible ways that this ad-hoc subcommittee can mutually support one another
- Support the Events and Celebrations in the area in person, via announcements and using PR tools (for example local events that we can help the area PR committee with outreach).

If people are interested in joining the committee or visiting, they can contact me either via email (rfecteau4@gmail.com) or text at 802-380-9543 and we can add them to the What's App group.

We post the link for the meeting in the What's App group as well.

In Loving Service,

Remy

Time & Location of Meeting: 07/31/2022

Report/Announcements:

The H&I Subcommittee met on Sunday, 31st of July with five addicts present. We discussed the two current commitments that we are carrying (Live Free Recovery House and Cheshire County House of Corrections- Women's Pod). The Live Free commitment is being held once a month, typically the second Sunday of each month. The Women's meeting at the Corrections Facility is occurring every Friday. More details regarding these commitments can be reviewed from the reports provided from the Panel Leaders that host the meetings (see attached).

At the moment, we are experiencing some shifting within the H&I subcommittee and are looking for support with both of our current commitments. Our current panel leader, and H&I Chairperson, Rich R., is unable to host the Live Free my meeting until further notice due to a new job opportunity. We thank Rich for his dedicated service and leadership and wish him well in his new career endeavors.

Also, there is an opportunity for a new panel leader at the Cheshire County facility due to one of the panel leaders, Crystal C., stepping down. We thank Crystal for her support and leadership during the past several months. She will be missed by the women at the Corrections facility.

The position of Panel Coordinator was discussed at the sub-committee meeting and Rocket B. volunteered to fulfill the position. After Rocket qualified for the position, we held a vote and Rocket received unanimous approval! He is now our new Panel Coordinator! Congratulations, Rocket! In this position, Rocket will be coordinating with each of the facilities where we hold commitments to ensure we are able to fulfill our presentations appropriately.

As we move forward, we would like to invite anyone interested in serving or learning more about the H&I subcommittee to attend our H&I Learning Day that will be held at the Back to Basics Campout during Saturday, August 20th at 1:00 P.M. Hope to see you there!

In Loving Service,

Josh R (H&I Subcommittee Vice Chair)

I went to Live Free on July 17th and brought Chad B as my speaker for this commitment. Everything is going well! I let the facility know that I will no longer be carrying the commitment. I will be forwarding all contact info I have to Rocket B so that he can coordinate the commitment moving forward.

Facility: Cheshire County of Corrections
Panel Coordinator: Erica Cheney

This is a monthly report on the Cheshire County of Corrections. I am the panel coordinator and am able to report that we had a meeting on July 1st, and July 8th. The remaining three weeks both my partner and I were out of town on vacation. I was in contact with Mike Thompson and he was aware we would be back to our schedule on August 5th.

I have given Mike pictures for key tags and he has printed them out as well for the inmates. He was more than happy to do so. We will be able to start handing out paper key tags when we go back.

The Public Relations Subcommittee discussed adding a link to the GMANA Facebook page. This was deemed not practical. The Facebook page seems to be working well.

There has been some trouble accessing the treasury@gmana.org email. Will S has addressed this and sent the information to the treasurer.
