We continue to discuss the merits of different formats for our Facebook page, weighing the pros and cons of a public group page vs a private group page.

The webpage is fully transitioned to Go Daddy. We are now investigating the best way to maintain current officer and subcommittee email addresses.

One option for phonenumber operation is using the ABCD REGION phonenumber which would we could use at no cost to the area. Interested addicts may dial 315 847 3842, press 2 and enter your zip code for the 5 closest meetings regardless of which area the meetings occur.

## H&I Report

Hello, friends!

The H&I Subcommittee met on Sunday, 25-Feb-24 with a record-setting eight participants!

We hosted our commitment at the women's pod and one of the men's pods at the Cheshire County House of Corrections (CCHOC) this past month. The women's group met on 9-Feb-24 with five attendees. We read 'What Can I Do' from the Basic Text. Thank you to Jamie G and Paula P. for their service!

The men's K-Pod meeting occurred on 15-Feb-24. Two attendees were present and we read the chapter 'Just For Today' from the Basic Text. Thank you to Bob C. and Josh R. for their service at this commitment!

The next meeting for the women's pod will be held on Friday, March 15th, 2024. The next meeting for the men's D-pod will be held on Thursday, February 29th. The next meeting for the men's K-pod will be on Thursday, March 14th. And we will host a second meeting during March for the men's D-pod on Thursday, March 29th.

The H&I Learning Day we held on Saturday, February 3rd, was a success! We had 15 participants in-person and two participants join on Zoom. Thank you to everyone that helped make the event an informative, fun and rewarding experience.

We had some discussion today surrounding meeting as a subcommittee to review the information pamphlets 'In Times of Illness' and 'NA Groups and Medication'. We also highlighted the need to have a more clear outline of responsibilities and expectations of panel leaders.

We will be hosting our next H&I subcommittee meeting on Saturday, March 30th due to the Easter Holiday.

As always, please continue to announce that the H&I Subcommittee is looking for support during your meetings! Addicts in need of hearing our life saving message could benefit from your involvement!

In Loving Service,

H&I Subcommittee

## Regional Committee Member Report February 25, 2024

Hello Everyone,

The ABCD Regional Service Committee met on Saturday, February 3rd at 11am with 4 of 7 Areas represented by their RCMs, RCM Alts, or a representative. This meeting occurs as a hybrid meeting. Anyone interested in attending Region please message me in the chat and I will get in touch with you.

There are open positions at Region (Helpline Chair, Hospitals & Institutions Chair, Policy Chair and Events & Activities Chair). If anyone is interested in any of these please reach out to me in the chat and I will get in touch with you to discuss.

A motion was made and voted on for the ABCD Region to fund the registration fee (\$25) for NESSSNA (Northeast States Service Symposium of NA) for two people from each of the 7 Areas that make up the ABCD Region. This motion passed. The impact is \$350 to the Region for this. NESSSNA will be held hybrid on April 26-28, 2024 at the Peabody Hotel in Boston, MA. A registration fee is required whether attending in person or online. I have attached the flyer to this event. And although the motion was not specific I am assuming the registration fee that ABCD is paying is for the RCM and RCM Alt. to a end. I will bring this up at the next RSC meeting for clarification. This event is hosted by the Northeast Zonal Forum.

Our Regional Delegate (Sandy Mc) proposed to adopt two project plans that came out of the ABCD Planning Session that was held last month on Zoom (report attached). The Green Mountain Area was asked if they would like to host a workshop that can piggyback onto another GMA event. The workshop would be called "How to make service more attractive". As your RCM I can only see one event that would be best suited for this and that would be Back to Basics campout. Perhaps we can discuss further to see if this is something this Area and Back to Basics are interested in or perhaps at another event.

There was a discussion brought up by an addict at Region regarding the ABCD meeting list. This was to remove the listing of virtual-only meetings from a town heading on the Regional meeting list, and instead make a new heading called "Virtual Meetings" and then list those meetings there. The addict felt that by listing virtual meetings under a town heading was confusing and that this would make it simpler for addicts looking for a virtual meeting. This topic was carried to next RSC. There was an extensive discussion at Region this past month on how to increase attendance. One of the suggestions was to make Region an in-person only meeting. I brought up how the Green Mountain Area has been a virtual meeting since Covid and that we have no issues with attendance at our subcommittee meetings nor at our ASC meeting. I suggested that everyone at Region attend our meeting today to see how well virtual service meetings work. This topic will be carried and discussed some more at next RSC.

In Loving Service,

Bruce B
