

ABCD REGIONAL MOTION

December 7, 2024

MOTION MAKER: John T., ARANA RCM

SECOND: Kevin L., ABCDRNA Webservant

MOTION: To raise the contribution that ABCD makes to the Northeast Zonal Forum (NEZF) from \$100 per year to \$716 per year.

INTENT: To fully fund the NEZF. ABCD now uses many services of the NEZF. We participate in the PR functions, events and meetings and benefit from the ESH of PR chairs and H&I chairs from around the NEZF. Through Fellowship Development (FD), we are developing a new website for the Region that will be able to host the member areas websites as a cost savings to the Areas. FD has assisted ABCD in our planning session, in workshops, getting us on the BMLT so we can use the app and connect our meeting schedules directly to one location to avoid duplicitous editing, getting us the YAP software so our Helpline is linked to our meeting schedule, and other assistance.

NEZF estimates that they will be able to fully fund their service efforts if each member Region contributes \$716 annually so we should contribute our fair share. Region has the funds and would like to use them for this purpose with the permission of the Areas.

This is a 90 day motion and will be voted on in March.
