

We Can group report

Hello Green Mountain Area,

The We Can group meets in person only on Thursday nights with a rotating format. We meet at 7pm at 24 Vernon Street in beautiful, historic, downtown Keene, NH.

We picked up a home group member this month which brings us to 5. This is a 150% increase since coming out of the pandemic.

This month we had 4 newcomers which is a big deal, it has been a long time since newcomers have attended.

This month we have an Area donation of \$129.43.

Our meeting will be happening on Thanksgiving.

In loving service,

We Can Group
