

## February 2025 Mixed Nuts Group Report

Hey folks!

I'm the GSR for the Mixed Nuts hybrid group on Friday's at 7 pm at the Turning Point in Brattleboro. Our attendance this month has been steady. We've had a few newcomers return the following week and others who have shown up consistently to share the message.

Lastly, we vote yay on the motion put forth by the zonal region for the increase in the amount to donate down the service structure.

In loving service,
