Open Sharing

The Mohawk Area is looking for a \$1k donation to restock their literature stockpile. Their treasurer passed away suddenly and froze their area account. We asked them to do an inventory of what they have and what they need. More discussion to follow.

We discussed what literature is appropriate to read in meetings. Only fellowship approved literature is to be read in meetings. Board Approved Service literature is not.

Next Regional Meeting will be Saturday March 1, 2025
