**Motion:** I move that the Green Mountain Service Committee of Narcotics Anonymous establish an ad hoc BOD (board of directors) subcommittee of limited duration to draft articles of incorporation and bylaws to establish a board of directors as required by law due to the creation of the **Green Mountain Area of Narcotics Anonymous, Inc.**, a registered not-for-profit corporation with the Vermont Office of the Secretary of State, Business Services Division, effective November 27, 2024.

**Intent:** Corporations are required to be “governed” by a board of directors. The documents referenced above formally establish our name, purpose, required number of directors and officers as well as their responsibilities and duties, clean-time requirement, general policies, frequency of meetings, elections, standing committees etc. Once the documents have been written and approved and filed with the Business Services Division, and the initial slate of officers and directors has been voted in, the ad hoc BOD subcommittee can be retired.
