

We Can group report

Hello Green Mountain Area,

The We Can group meets in person only on Thursday nights with a rotating varied format.

We meet at 7pm at 24 Vernon Street in beautiful, historic, downtown Keene, NH.

Our meeting attendance grew this month with an influx of newcomers and female attendees. We also picked up another home group member this month bringing us to 5. This was our largest month since Covid.

This month we have an Area donation of \$118

In loving service,

We Can Group
