Report/Announcements: The Public Relations Subcommittee met with 4 addicts present.

Our Facebook page now has 131 members, and will be posting flyers of upcoming NA events. These flyers will include phone numbers for obtaining additional information relating to the activity if the motion presented by Public Relations in April is approved by the ASC.

The Green Mountain Area website, [gmana.org](http://gmana.org) has a new look. The COVID safety statement has been removed and a general safety statement for meetings is being composed. There is a tab for the campout that allow addicts to register online.

The Public Relations subcommittee plans to be present at the National Night Out events in Rutland August 5 and Brattleboro August 6.

Since there have been instances of Zoom bombing, there are some recommendations for the meeting host to minimize these occurrences. Go to the bottom of the page and click participants, then click mut all. The host can then unmute as desired.
