

Good afternoon, Friends!

The H&I subcommittee met today with seven participants.

We have hosted two meetings at the Cheshire County House of Corrections facility (CCHOC) during the month of June. Our meeting for the mens D-Pod was held on Thursday, 12-Jun-2025. We had two attendees join, one of which was attending their first NA meeting EVER. We read from the Just For Today on the topic of A Vision Of Hope. Everyone shared and both attendees picked up keytags; one 30 day tag and one 9 month tag. Both men were appreciative of our commitment. Thank you to Joseph R. and Josh R. for their service!

Unfortunately, for the second month in a row, there were no participants for the women's meeting on Friday, 13-Jun-2025. Fel B. and Jaime G. still held a meeting, and read The Just For Today, but no one from the pod wanted to join this month. Thank you to Fel B. and Jamie G. for their service, nonetheless. In response to this reoccurring theme on no attendance, we discussed creating a sign-up sheet for the women's pod. We will communicate further with the facility in order to implement it. We will then communicate with the facility regarding any inmates' interest in attending our H&I presentations in the women's pod.

Our commitment at the CCHOC for the mens K-pod occurred on Tuesday, 24-Jun-2025. There was one attendee from the facility and we read from the Third Step and also shared on the topic of Sponsorship. Each H&I member shared their experience, strength and hope on the topics. The attendee was grateful for our service and expressed his heartfelt thoughts on the topics, his current state and his potential future. Thank you to David K., Jake O. and Les T. for their service.

Our budget balance at the beginning of June was \$414.01. We did not have any expenses, so the balance remains the same at \$414.01.

During our meeting today, we discussed our plans to host an H&I presentation during the Back To Basics Campout. The event will occur on Saturday, 23-Aug-2025. Once the Campout schedule is finalized we will communicate the time, but it will most likely occur during the early afternoon.

We are planning to schedule an orientation at the Cheshire County House of Corrections during the month of July. We will announce the orientation date as soon as we receive confirmation from the Facility.

Thank you for allowing us to serve!
