Our attendance is down slightly recently; we averaged 13.75 addicts per meeting this month, down from our record high of 23.75 in June, due in part to the popularity of two addicts that celebrated multiple years of recovery that month. We averaged 18.5 addicts per meeting in July, and that represents a sustainable number we'd like to shoot for. All our annual and monthly service positions are filled, we believe we are welcoming to newcomers and visitors and are carrying a strong message of recovery. We continue to meet for dinner and fellowship prior to our meeting at the Monadnock Food Co-op around 5:45 PM. We held our service meeting prior to our recovery meeting for the first time this month. It worked well and we will continue doing so going forward. Our 3rd annual Spooker Potluck is scheduled for October 28th. There's a flyer on the GMANA website and Facebook page. Upcoming homegroup member anniversary celebrations are:

John B. – 4 years – November 4th

Destinee L. – 1 year – November 11th

In loving service,

John B.
