

Good Morning Family,

The Mixed Nuts meeting meets at the Turning Point in Brattleboro on Friday from 7-8 pm. This is a hybrid meeting with a rotating format.

We have saved enough money to get a new laptop with better speakers and a better camera! We've had a steady attendance of at least 5 addicts per meeting, with some meetings having up to 10-14 people.

We're excited to have steady attendance and also gained another group member! We feel we are welcome to the newcomer and can't wait to see how our group continues to grow!

In Loving Service,

Remy F Se
