that one year is a suggested time requirement) and waiving the clean time requirement. Followed with extensive discussion from the area members with waiving the clean time required for any position.

- Having attended, a member expressed their concern regarding the Getting Real meeting. The member stated that this meeting is lacking a format, seventh tradition, structure and experience. Feels that, after referring to traditions 4 and 5 which states an atmosphere of recovery is a must. This member does not believe that atmosphere is provided and, after talking with other visiting members, that were there to support this meeting, observed the same as this member. This member brought this to area's attention feeling this is affecting NA as a whole.
- ATTENTION - There are two reports (In the Officer reports post) Which were misplaced in the months of the reports, An August BOD report and the September report. I apologize for this mishap.
