

Hello!

Please consider this the Living Just for Today's group report.

The LJFT group meets online on Monday from 5:45 - 6:45 PM. We have been averaging 12-15 people for the last two weeks but historically the attendance is much lower than that. We ask that people announce at meetings that the LJFT group needs support.

We have experienced zoom bombings almost every week for the past 4-5 weeks. We have adapted and are much quicker about restoring order. We've begun enabling the waiting room at around 5:50 PM most nights and that has helped us avoid a lot of issues lately. Each homegroup member serves as a co-host and that has been helpful.

We donated \$89 to Area in September. We will donate again in late December.

We voted on the positions of those trusted servants that have volunteered for Area service positions and were in favor of all of them by the vote 3 YAY; 1 abstention, 0 NAYS. Thank you to the trusted servants for their willingness.

We have two celebrations coming up:

Chris S (Sarge) 11/3/2025 - 4 years

Donna S 12/1/2025- 4 years

In loving service,

Jamie G
