Hi!

The Living Just for Today group meets weekly at 5:45-6:45, on Zoom, on Monday. We have anywhere from 2-20 participants at any given time. We have not experienced any Zoom bombings recently. Thank goodness!

Cares and Concerns for Area:

- The group doesn't have a GSR at the moment, so the secretary (Jamie) will continue to email the group report with any applicable information each month. We do read the minutes each month and vote on any applicable motions.

- Our groups' group conscious was held tonight 12/22. We voted to donate $78 to Area (we make donations at the end of each quarter). Felicia will be mailing a check soon. Our next donation will be in March.

- Meeting attendance has been low lately and we could use support from other addicts in the area. Please consider attending if you can.

Thank you!

Jamie
