Good Afternoon, Region opened Saturday June 6 @10ish. Our new start time. Quorum was met with 5 of 6 areas present. Open positions are as follows. Vice Chair, Alt. Treasurer, Helpline Chair, H&I Chair, Policy Chair, Webservant & E&A Chair. We have a nominee for Webmaster Jason M. He heard about the position being announced and volunteered.

Major World Conference Decisions. Motion to change World Convention cycle to 5 years passed. Starting in 2028.

Gender-language material. Starting with I.P. #1.

The Conference voted to prioritize future project ideas through the Conference Agenda Report Survey rather than individual motions.

Motion to have book length material for Correctional Facilities on tablets passed.

80% Consensus rule failed. The majority felt that the minority needed to be heard.

Total cost to send RDa to the World Conference $2159.23

Because Region currently doesn't have a Webservant, I would suggest sending flyers directly to the Regional Secretary & request being added to the mailing list.

Next Regional Service Meeting will be Saturday July 4@10am.

Grateful to Serve Russ S.
