LSG is a hybred meeting that meets on Tuesdays from 6:00-7:00 PM in Manchester, Vermont. We have been averaging approximately 7 people at meetings, with more on nights we are celebrating anniversaries.

We had our group conscious on June 16th. The past several months we have been dealing with an issue with one of our trusted servants who relapsed, which caused various issues for LSG. We passed a motion to remove the person from his position of Treasurer and another motion was passed to install Beth P as temporary Treasurer until we hold elections for all positions in October. We have implemented new, transparent procedures to prevent a repeat of the fallout we just experienced which included misappropriated funds. We took inventory and placed an order for literature and other needed supplies such as medallions and key tags etc. Due to our having to start from scratch there will not be a donation to area this month. We hope to be back on track in the near future. We recently found out none of the voted on donations to Area were actually made in the past year. The last donation received by Area was August of 2025. LSG sincerely apologizes for this situation.

Upcoming Anniversaries: Ellen A 16 yrs on July 24. Celebration date TBD
Aaron L 13 yrs on July 4th. Celebration date TBD
Adam R 1 year on July 1st. Celebrating on July 14th.
