

Hello,

The LJFT group meets every Monday from 6-7 PM online only. We had our group conscious last night. We are consistently seeing around 5-15 addicts at each meeting. We still need support and especially group members who are willing to do service. We are hoping that area can share this with other GSRs to hopefully drum up support. At this time, we do not have a GSR. We donate quarterly so we will have another donation in October.

Thank you!

Thanks,

Jamie Green
