LSG is a hybrid meeting that meets in Manchester VT on Tuesdays from 6-7 PM. We are averaging 6 attendees per week with increases during celebrations. All service positions are filled, with new elections coming this fall.

LSG held its monthly group conscious meeting on Tuesday Aug 24. No changes or issues were reported. We sent a \$25 donation to Area. We are fully stocked with IP, literature, key tags and medallions. There are no upcoming celebrations.

In Gratitude and Service:
